Assistant: Can I help you?

Customer: Yes, please. I'm looking for a pair of sandals.

Assistant: What's your shoe size?

Customer: I think it's 39.

Assistant: What colour would you like them?

Customer: White or red.

Assistant: We have just received the new models for the summer. I'll show you.

Customer: Can I try them on?

Assistant: Of course, I'm sure you will like them.

Customer: Oh yes! They are really nice and fashionable. I'll buy them.

Assistant: May I help you?

Customer: No, I'm not. I'm interested in some jeans.

Assistant: Are you looking for any brand in particular?

Customer: No, not really. I wouldn't like to pay too much.

Assistant: If you follow me, I will show you some good jeans and not very expensive ones.

Customer: I think I'm going to try these three pairs. Where are the changing rooms?

Assistant: They're over there.

Customer: I'd like to buy the blue jeans. They suit me very well. How much are they?

Assistant: They have a 10% discount. So they are only 50€

Customer: All right. I take them.

Two friends are shopping for clothes

Anne: Would you like to come with me to do some shopping?

Berta: OK. I'd love to.

Anne: What do you think of this black dress?

Berta: Well, to be honest, I don't like it very much.

Anne: All right. Let's see somewhere else.

Berta: I know a small boutique where you might find something nice.

Anne: I'm looking for a sophisticated black dress.

Shop assistant: Here you have some beautiful dresses. They are all good quality but I'm afraid they aren't cheap.

Ann: I think I'm going to try some of them.

Berta: You look great. and it isn't too expensive.

Anne: Do you think I should buy it.

Berta: If I were, I would get it.
