

Colour Wordsearch 1

Can you find 12 colours in this wordsearch?

- ✓ First, look at the grid and see how many colour words you can find. Words may go across or back, up or down, and diagonally up or down in the grid.
- ✓ Then, look on the next page, and use the definitions to help you identify any colour words you still haven't got.
- ✓ If you need more help, click on the definitions to see the actual words.

Good luck!
